# CATEDRAL NAVARRA TOMATO WITH OLIVE OIL PUREE

La Catedral de Navarra is a family business founded 70 years ago by the Sainz Family on the firm commitment of offering the best quality preserved vegetables and pulses. Their secret? The rich fertile soil, extreme temperatures and abundant rainfall from the Navarrese Ebro Valley. In their own words “Nature endows us with her delicious produce, and we preserve it for the most discerning palates”.

The products from La Catedral de Navarra are elaborated and preserved immediately on arrival from the field, to preserve their full natural and authentic flavour.
