Shelf life: 4 months from production date.

Storage conditions: Chilled, $\leq 5^{\circ}$ C

Opened life: Once opened, keep refrigerated and consume within 3 days.

Primary packaging: plastic tray **Secondary packaging:** carton sleeve

Serving suggestions: This product needs to be fully cooked before serving.

Cooking instructions:

- Sauté the rice (1-2 min):** Add a tablespoon of olive oil to a frying pan. Once it hot, add the rice and sauté for one minute and a half or two approximately over medium-high heat.
- Add the broth (3-4 min):** Add the broth and the remaining ingredients from the small tray and constantly stir at medium-high heat for approximately 3 or 4 minutes until the rice has absorbed the broth and gets creamy.
