PAUL&PIPPA

BLACK SALT, QUINOA & OLIVE OIL CRACKER4CHEESE

Paul and Pippa are Veronica's grandparents who used to make lovely biscuits and crackers with the best Olive Oil and seasonal local ingredients in the family bakery. Verónica has decided to recover the family old recipes and give them a modern twist to produce biscuits and crackers full of Mediterranean flavour.

These crackers for cheese are great with hard cheeses such as Cheddar, or Manchego...or we suggest to try it with our Abuelo Ruperto Washed rind cheese. Beautiful!
